DISABLED PERSONS FACILITIES

Maharajah's College of Pharmacy is committed to fostering an inclusive and supportive learning environment for all its students, including those with disabilities. The institution has taken significant steps to ensure accessibility and convenience for disabled students, exemplifying its dedication to diversity and inclusivity. One notable feature is the installation of ramp walks on various floors of the college building, allowing students with mobility challenges to navigate the premises effortlessly. This thoughtful infrastructure design promotes independence and ensures that all students can access classrooms, laboratories, and other facilities without hindrance. Additionally, the college providing washroom facilities tailored to meet the specific needs of disabled students. The college aims to eliminate barriers and create a level playing field, allowing all students, regardless of their visual abilities, to showcase their knowledge and skills.
