GAMES AND SPORTS

Maharajah's College of Pharmacy is proud to offer state-of-the-art games and sports facilities to enhance the overall well-being of its students. The campus is equipped with infrastructure to support various sporting activities, providing students with ample opportunities for physical fitness and recreational engagement. From well-maintained sports fields to modern indoor facilities, the college promotes a healthy and active lifestyle. The institution recognizes the importance of sports in fostering teamwork, discipline, and a competitive spirit, contributing to the holistic development of its students. Whether it's cricket, football, basketball, or other sports, Maharajah's College of Pharmacy ensures that students have access to a vibrant sports culture that complements their academic journey.
