WORLD NATURE CONSERVATION DAY

World Nature Conservation Day is celebrated in our college on 28th June, 2023 to raise awareness about the importance of protecting and conserving natural resources and the environment among students. It is a day to reflect on the impact that our actions have on the planet. Plantation Programme is conducted on this occasion. Staff and students participated in the programme.

This year, the theme for World Nature Conversation Day 2023 is 'Forests and Livelihoods: Sustaining People and Planet' Preserving our natural resources and environment is of utmost importance for the sustenance of life on Earth.
