## FRESHER'S PARTY

The Fresher's Day was filled with excitement, joy, music, enthusiasm, laughter and happiness. "Fresher's Party" in any college is an event which every student eagerly awaits from their time of admission. The 13<sup>th</sup> of October was a memorable day in the life of every fresher of 1<sup>st</sup> year B. Pharmacy 2020-2021 at Maharajah's college of Pharmacy.

---

The one of the main purpose of conducting **Fresher's Party** is to welcome new students in college's friendly atmosphere and to encourage their creative impulses to boost their confidence and pursue their passion. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college. Fresher's party is a way to welcome new comers in a college. The Fresher's party isn't just a day for the new comers (as the name says) but is also important and special for the seniors.

### **FAREWELL PARTY**

What we call the beginning is often the end, and to make an end is to make a beginning. The end is where we start from.”

College Farewell parties were always an exciting affair and bring alive a lot of happy memories. The 3rd year students organized a Farewell Party in 2021 to bid adieu to the outgoing students. The function began with Jyothi prajwalna, and speeches by our respected principal sir and Faculty members.

Students presented very entertaining group dance and solo dance performances. Thereafter final year students came forward and shared their experiences and recollected their college memories. The 3rd year students organized lunch in the afternoon and it was so yummy!

Finally, it was students who enjoyed the D.J. session. The function ended with lots of sweet memories and a token of love, appreciation, blessings to the outgoing students.
